The Academy for Individual Excellence  
3101 Bluebird Lane  
Louisville, KY 40299

## Thank you!

The AIE Scholarship Foundation wants to thank all those who contributed to the Foundation either for the fall drive or in tribute to Mrs. Clark. Over \$32,000 was raised, in large part due to an anonymous donation of \$25,000 and over \$3000 raised for Mrs. Clark. In addition, a couple of individuals were able to take advantage of a matching funds program at their work. Thank you to all who donated. We wish you could see the faces of the families when they receive assistance.

Remember that the AIE Scholarship Foundation Spring Auction is only a couple of months away. Be on the lookout for info regarding the auction.

## Re-Enrollment

Re-enrollment packets are due in the office Friday, January 26, 2007. If you have not received a packet, please call the office to request a packet to be sent home with your child.

Thank you to all the parents who have already returned the paperwork. If you have not, please return either the completed packet or the notification of your family's plans for the 2007/2008 school year as soon as possible. While the registration fee (non-refundable) is due when your child(ren) re-enrolls, the fee can be paid after the packet is turned in.

Our hope during the registration period is to develop as accurate a picture as possible of the enrollment for next school year. We have several families already in the waiting pool for next year, and we would like to be able

to get information regarding openings as soon as possible. Open enrollment will begin the first of February for children currently not with AIE. Thank you in advance for your help.

## School Choice

School Choice Scholarship applications are now available in the school office. The deadline for turning in the application to School Choice is April 26<sup>th</sup>.

School Choice Scholarship, (not affiliated with the AIE Scholarship Foundation) is a private organization that provides tuition assistance to children grades K – 6<sup>th</sup>. The scholarship is based on financial need and is designed to help parents have a choice in their child's education based on preference and quality, not just financial ability.

The Academy is a school that can receive scholarship monies from School Choice. If you would like to apply, please stop by the office to pick up your forms. If you have any questions, please call Pam Brown at 267-6187.

## Ready for School

One of the best tools a child can receive for school happens well before they arrive each morning. A good night's rest, breakfast and a morning routine will help your child come to school rested, prepared and settled for the day's work ahead.
