AIE Scholarship

Foundation Auction

The 5th Annual AIE Scholarship Foundation Auction and Dinner is Saturday night, March 17th with doors opening at 5:30 p.m.

The auction committee has put together a great selection of items for both the silent and live auction. Dinner will again be by Bootleg Barbeque.

Proceeds from the auction will help support our school families who experience a crisis. During the period of the crisis, the Foundation is able to help offset the cost of tuition for the family. The Foundation has been able to assist a number of families this year. Each one has expressed tremendous gratitude for the assistance they received, and the relief of not having to worry about their child's education on top of the other pressing concerns.

Please consider attending this year's auction. Tickets are on sale in the school office, dinner and auction, \$15 and \$5 for auction only.

Videos & Books

If you have borrowed a book or video from the Academy, please return it to the office as soon as possible. There are several items missing and other families wanting to be able to use them. Thanks for your help.

Spring - An experience in immortality.

- Henry D. Thoreau

Internet Safety

A resource that parents may find helpful in trying to establish or maintain an internet safe home is www.theparentsedge.com. As many of our kids can be very technologically savvy, the sole purpose of the sight is to inform and guide parents.

5th/6th Basketball

Basketball for the 5th/6th grade students has gotten underway for this year. The 5th/6th program is a co-ed intramural league. The children practice for 5 weeks followed by 2 weeks of games. The program is designed for skill building and understanding game dynamics. A schedule with practice and game times is available in the school office.

Spring is in the Air

Spring is definitely upon us bringing with it the longer days, rain, flowers and huge changes in temperature. Please help your child be mindful of this as they prepare for school. We recommend dressing in layers during this time. Layers will allow your child to keep warm in the chilly mornings and not be too overdressed for the afternoons. We will continue to monitor the weather and make adjustments as we can.

School Choice

School Choice Scholarship applications are now available in the school office for students K-6. The deadline for turning in the application to School Choice is April 20th.
