## AIE Scholarship

### Foundation Auction

The 6<sup>th</sup> annual AIE Scholarship Foundation Auction and Dinner is Saturday night, March 15<sup>th</sup>. Doors will open at 5:30.

The auction committee has put together a great selection of items for both the silent and live auction.

This has been a particularly hard year for the Foundation. The requests for assistance have greatly outnumbered the donations with more requests coming in. Please consider attending this year's auction. Tickets are on sale in the school office: dinner and auction, \$15 and auction only, \$5.

Thank you to all the families that have contributed to the auction by volunteering, sending basket items and contributing to the Foundation.

Watch for Mr. Savage on Fridays in carpool as he collects for the Scholarship Foundation.

## 5<sup>th</sup>/6<sup>th</sup> Basketball

Basketball for the 5<sup>th</sup>/6<sup>th</sup> grade students will be getting underway for this year on Monday, March 3. The 5<sup>th</sup>/6<sup>th</sup> program is a co-ed intramural league. The children practice for 4 weeks followed by 2 weeks of games. The program is designed for skill building and understanding game dynamics. A schedule with practice and game times is available in the school office.

## Conferences

Our second day of parent teacher conferences is Friday, March 7<sup>th</sup> from 8 a.m. – 12 p.m. If you would like to schedule a conference, please call the school office at 267-6187.

## Notes:

Our winter blood drive collected 17 units of blood. Thank you to each of you who donated, and helped make the blood drive a success.

The Jump Rope for Heart and Hoops for Heart campaigns raised almost \$5000. Thank you to everyone who participated. Prizes are expected in about 6 weeks.

To help our environment, it has been suggested that those who sit for a period of time in the carpool each day, remember to turn their cars off for the time that they are sitting.

We will be sending the database containing student names for library cards out on Friday, March 7. If you do not want your child to receive a new library card, please contact the office.

School Choice Scholarship applications are now available in the office for students K-6. The deadline for turning in an application is April 20<sup>th</sup>.

## Thought for the Day

The human contribution is the essential ingredient. It is only in the giving of oneself to others that we truly live.
