School Days

As many of you are aware, the school calendar for AIE is typically very similar to the school calendar for JCPS. However, there are small differences from time to time to accommodate the needs of AIE.

Two notable differences coming up are **Friday, April 4** and **Friday, May 23rd**. This coming Friday, April 4th, is the beginning of our Spring Break (although JCPS will be in school).

In addition, Thursday, May 22nd is our last day of school. **There will be no school on Friday, May 23rd** although JCPS will be in school that day to make up a snow day. (Please note that our school day is a little longer than JCPS, and our students will have the necessary number of hours even without attending school on the 23rd.)

Archery

Our archery team has had a great finish to their second year. In February, they were invited to Mt. Washington for their first competition. This was a great experience for everyone with lots of lessons learned. In March, the team went on to compete in the state finals at the Louisville International Convention Center. Our archers will celebrate their year with a breakfast in April.

A Round of Applause

A special round of applause for all of our performers this month. First to our students K-6 who did an excellent job in the elementary program. Next, to our band who performed in the program as well. And last, but certainly, not least, to the Dramatic Paws, for a great performance of the "Miracle Worker" this past weekend.

Notes

AIE Scholarship Foundation Auction: Thank you to all who participated in the auction this year. About \$17,000 was raised for the Foundation. A special thanks to those who accepted "John's Challenge." For more info check out the AIE Foundation website at www.aiefoundation.org.

School Choice Scholarship: Applications to this scholarship organization are due to the school office by April 20th.

Blood Drive: Our spring blood drive is Monday, April 21st from 2-6 p.m. in the gym. Please call the office to schedule an appointment to give.

AIE Website: Remember to check the AIE website for calendars and updated pictures in the picture gallery.
