Welcome Back!

Thank you for a great start to the school year. It has been good to see everyone - returning and new students, teachers and staff. Now that we have settled into the school year a little bit, if you have any concerns, please let us know either by talking to Mr. Savage or your child's teacher

Go Cougars

The Cougars are back in action for the 2008/2009 school year. The high school girls' volleyball team and co-ed soccer teams have had their first games of the season this past Friday in Lexington. In addition, our intramural high school bowling league will resume on Wednesday, Sept 3rd.

The 2008/2009 school year also marks the inaugural year of our elementary cross country team. The team is coed and consists of students grades 3rd-8th. They have competed in one practice meet. The first competitive meet is Friday, Sept 5th.

The Cougar Band is also back for their third year of wowing us with their work. Good luck to all the Cougars as they work to achieve their best!

Super September

September is filled with lots of activity at AIE. Please make sure to check the calendar for those activities that are related to you. Also, be on the lookout for updates throughout the month. A few specific items to consider include:

Market Day: Every month, AIE sponsors a Market Day sale. Market Day offers a variety of foods. The items ordered are delivered to the school for convenient pick-up. Proceeds from each sale go to AIE's general fund.

Prospective Parent Meetings: Each month, the AIE hosts two prospective parent meetings. These meetings are led by Mr. Savage and are designed to introduce parents to our school. If you know someone who is interested in our school, it is a great way for them to get information. For the upcoming meeting dates and times, please call the office.

Volunteers: AIE is very fortunate to have a great group of volunteers. Many who help with special events and a few who work consistently throughout the school year. There will be training in September for those who are interested in the rewarding task of volunteering on a regular basis. September 16th will be a meeting for all volunteers, returning and new. This will be followed by two additional meetings for new volunteers on September 16th & 23rd. Sign ups for the training are in the office.

Individual Development (ID)

Program: In September, many of the components of the ID Program will be starting up for the fall. The reading lab, interactive metronome, speech therapy, and group counseling are all underway. In addition, instrument lessons and art workshops are available. Please be on the lookout for more information as this program continues to grow

Kroger & Thorntons Cards are now available in the office!
