Thank you!

Thank you for the huge response to our charitable efforts this holiday season. Every recipient showed tremendous gratitude for your generosity.

Thank you to every family who blessed us with gifts this Christmas. We appreciate your thoughtfulness and support.

We hope that everyone had an enjoyable break, and that you are ready for a good second half of the school year.

New Faces

We are pleased to welcome several new students to our AIE family for the second semester. We are excited about what they bring to our school.

Re-enrollment

It is hard to believe that it is re-enrollment time again. Packets to apply for the 2009/2010 school year will be going home on Wednesday, January 14th. They are due back to the school office by Friday, January 23rd. Once we have processed the packets, we will open enrollment to the public.

Packets are sent home through the oldest child in a family. Packets for high school students are mailed, as well as those packets for children with more than one mailing address. All other enrollment packets will be coming home with your child on the 14th. If you have any questions about the enrollment

packets, please feel free to contact the office.

Mobile Discovery Center

On January 7th & 8th, the Mobile Discovery Center will be making a stop at AIE. The Discovery Center is sponsored by the National Science Center and the U.S. Army. The Mobile Discovery Center travels all across the country to present programs that show that studying science and math is fun, as well as essential to our future. Students in grades 3-12 will be able to participate in this program.

Resource

We are always on the lookout for resources that will help our families. One such resource is the "Empowering Parents" newsletter from the creators of the Total Transformation. To check it out or to sign up for the newsletter, go to www.empoweringparents.com.

Prospective Parent Meetings

Each month we host meetings for parents interested in our school. If there is someone who would like to know more about AIE, please invite them to one of these meetings. We are having a special meeting for kindergarten parents, Sunday, January 11th from 2-4 p.m. This meeting is designed specifically with the kindergarten parent in mind. For more information, please contact the office.
