Blood Drive

The Red Cross will be sponsoring a blood drive on Monday, February 9th from 1-5 p.m. While walk-ins to the drive are welcome, the Red Cross has requested that if possible, we schedule appointments for donations to assist them in making preparations for the drive. If you are interested in donating, please call the school office at 267-6187.

School Choice Scholarship

School Choice Scholarship applications are now available in the school office. The deadline for turning in the application to School Choice is April 16th.

School Choice Scholarship, (not affiliated with the AIE Scholarship Foundation) is a private organization that provides tuition assistance to children grades K – 6th. The scholarship is based on financial need and is designed to help parents have a choice in their child's education based on

preference and quality not just financial ability.

The Academy is a school that can receive scholarship monies from School Choice. If you would like to apply, please stop by the office to pick up your forms. If you have any questions, please call Pam Brown at 267-6187.

Prospective Parent Meeting

Each month the Academy sponsors two prospective parent meetings. The meetings are designed to introduce interested individuals to the Academy and its philosophy. If you know anyone who is interested in learning more about us, the prospective parent meetings are a great way to do that. Upcoming meeting times are available on the school calendar and the website (www.aiexcellence.com). February meeting times are Tues., Feb. 10 at 9:00 a.m. and Mon., Feb 23rd at 7:00 p.m.

Senior Night

AIE will be celebrating its senior basketball players at the home game against Cornerstone on Friday, February 13th. There will be a special presentation in between the JV Boys and the Varsity Girls game. Please join us and support our teams.
