Louisville, KY 40299

Congratulations to Our Band

Recently, several of our band members participated in the KMEA Solo and Ensemble Festival, an area competition at Atherton High School. This event allowed the band members to be evaluated on a piece that they performed for the judges. It was an exciting day with everyone doing an excellent job of representing themselves and our school. Good Work!

Mobile Discovery Center

Mobile Ed Productions, Inc. a school assembly company will present "The Living Abe Lincoln" to our high school. The performance comprises a chronological first person narrative to his life, from humble origins in the backwoods of Kentucky through his trying years in the White House, with appropriate content specifically designed for the age group being addressed. This assembly will be for our high school students on March 19th.

Snow Days

Because of the inclement weather this year, we will need to make up some of the days that were missed. The days that have been added to the calendar include:

Friday, March 27th
Friday, April 10th
Friday, May 22nd

If your family had already made plans that are not feasible to change, we understand. While each of the make-up days is a Friday, there will be no pizza lunch offered on those days as we had not budgeted for that expense. If you have any questions about the make up days, please feel free to contact

Spring is Around the Corner

With the weather as cold as it is, it's hard to believe that spring is right around the corner. With it will come chilly mornings and warmer afternoons. It is a difficult time of year for climate control in the building as not every room has its own separate unit. As the warmer afternoons come, please encourage your children to dress in layers so that they are able to be comfortable as the temperature changes throughout the day.

Important Dates

Following are important dates coming up:

March 13th – Jr./Sr. Night deposit is due

March 19th - High School Basketball Banquet

March 27th – High School trip balance is due

April 16th – School Choice Scholarship applications are due to the school office.

Thought for the Day

In the spring I have counted one hundred and thirty-six different kinds of weather inside of four and twenty hours. ~ **Mark Twain**
