Archery Program Kicks Off

Our archery program is set to get underway on Tuesday, October 20th at 7:10 a.m. This year the archery program will be under the leadership of Cindy Steele. Ms. Steele is an experienced archer who has been certified by the National Archery in the Schools Program (NASP). We are excited about the knowledge and experience that she will bring to our program. Archery practice will be each Tuesday thereafter Tuesday at 7:10 a.m.

Layers, Layers

Each year as the change of season approaches, we like to take a minute to remind everyone about climate control in the building. Fall brings large deviations in temperature. In a building our size, it is difficult to maintain a temperature that is satisfactory to all. To help your child be comfortable, we recommend dressing in layers. Layers will allow your child to be warm during the chilly mornings and not overdressed for the warmer afternoons. We will continue to monitor the weather and make every effort to keep the building as comfortable as possible. Please contact the school office or your child's teacher if there are any concerns.

Senior Play

Each fall, our senior class comes together to produce a play. This production not only allows them the

work together as a team, it gives us the opportunity to see our students in a whole new light. Each year is a treat and this year should be no different as the class of 2010 presents "Little Shop of Horrors." Play dates are Friday, October 16th and Saturday, October 17th. Tickets are \$5.00 for adults and are on sale now in the office.

AIE Scholarship Foundation Auction

The AIE Scholarship Auction is Saturday, November 7th. This year marks a move from the spring to the fall, and we are expecting a great time for all. The night's events will start with a silent auction at 5:30. Dinner will begin at 6:00, followed by the live auction at 7:15. Each year there is a lot of lively bidding on a variety of items including the baskets prepared by our preschool, elementary classes, Cougar Café, and other groups and individuals at the school.

The AIE Scholarship Foundation's mission is to offer assistance to both families at the Academy that find themselves facing financial hardship and families who could benefit from the Academy and would not be able to attend without support. Donations to the Foundation are tax-deductible. If you would like to donate an item to the auction, please contact Teresa Savage or Sarah Boles at 267-6187.

Thought for the Day

To educate a person in mind and not in morals is to educate a menace to society.

— Theodore Roosevelt, American adventurer and president (1858-1919)
