3101 Bluebird Lane
Louisville, KY 40299

Sock It To Me!

The auction and dinner was a good time again this year, plus almost \$20,000 was raised for the AIE Scholarship Foundation. Thank you to everyone for their donations, hard work and support.

If you are interested in continuing to help the Scholarship Foundation, please consider the Foundation's "Sock It To Me!" campaign. "Sock It To Me" is a longtime idea of Mr. Savage that was spurred forward by a high school student's donation of 7 years of collected change to the Foundation. To participate:

- Request a sock from the school office
- Over a few weeks, fill the sock with spare change
- Bring the sock back to school and start again.

Help us reach our goal of \$3000 from this effort by the end of school

Information Changes

If your family has a change of information, address, phone, e-mail, work etc, please report that to the school office. It helps to have all the correct information should we need to contact you, especially if there is an emergency situation. Thank you!

Notice

State regulation requires notification to parents each year if asbestos is present in an educational setting. This

letter serves as notice to AIE parents that "contained" asbestos is present in our building. The word "contained" indicates that it is not friable and is not airborne. Therefore, our building is environmentally safe.

In accordance with state regulations, AIE conducts regular inspections by designated staff who have received qualified training. In addition, the Evergreen Group, an environmental agency, works with the Academy to monitor the "contained" asbestos and ensure AIE's continued compliance with state regulations. As always, if there are any questions, regarding this matter, please feel free to contact Mr. Savage.

Canned Food Drive

AIE is currently sponsoring a canned food drive through Tuesday, 11/22. Items collected will be donated to the Jeffersontown FOP. They will use the food to create Christmas baskets for area families.

Notes

**The Transitions Group will be meeting Monday, November 28th at 7:00 p.m. Missy Hughes from Dreams with Wings will be our speaker. Please note, there will not be a meeting in December.

**Thank you for all the surveys that have come back to us. If you have not turned yours in, please do so soon. We look forward to hearing from you.

Happy Thanksgiving
